

# SCRABSTER HARBOUR TRUST APPOINTMENT OF BOARD MEMBERS

Scrabster Harbour Trust is managed by a Board consisting of six non-executive and one executive member. Two non-executive vacancies are to arise at this year's AGM and applications are invited to fill these vacancies. Appointments will be for a term of three years.

The full Board requires to have wide and relevant experience, and candidates will therefore be expected to have skills and experience in business or industrial management, harbour operations, or administration and local community interests. The ability to work well within a committee, to grasp and deal with complex issues and to express your own views clearly will be necessary. Residence within a reasonable distance of the harbour and familiarity with local issues will be desirable.

Board Members are remunerated and are required to attend meetings and otherwise to devote two days per month on average to the work of the Board. Duties are similar to those of a company director and will include responsibility for the proper exercise of the statutory functions of the Board.
