

Navigation Warning

Scotland – North Coast – Pentland Firth – Inner Sound

Subsea Dive Works

November 2020

Mariners are advised that subsea dive works are to be conducted at the MeyGen Tidal Array site.

These works will be conducted between **20th to 26th November**, centred on position:

- 58°39'50.57"North / 491776mE
- 3° 8'34.62" West / 6502123mN

WGS84 / UTM30N

The Dive Support Vessel the Teal of Wick will, when involved in operations, display appropriate day and night markings to signify that they are at anchor and when a diver is below.

The vessel the Causeway Explorer shall be onsite acting as guard and safety vessel for the works and the Athenia will be providing ROV support
