

Aids to Navigation

As can be seen from the table below, our category 1 and category 2 lights have exceeded the targets required for the 3-year period to April 2023 and we are therefore in compliance with the Port Marine Safety Code.

IALA Category	Actual Availability	Target Availability
Category 1	100.00%	99.80%
Category 2	100.00%	99.00%
